School Hymn

On we march through paths of
"wisdom,"
Searching for what's true and right.
And so we sing our praise to thee,
To thee, O Kennedy High.
We've seen your glory,
We know your greatness
Through the dim and the bright.
And so we sing our praise to thee,
To thee, O Kennedy High.
And so we sing our praise to thee,
To thee, O Kennedy High.

Fight Song
Go, Cougars, standing tall;
Cougars fighting one for all.
We're the proudest school

Will surely know who we are,
Because we're JFK —
Forever fighting on.

Today . . . 1986—1987

In Kennedy's twentieth year, the excellence and diversity that established JFK's reputation were evident in the student body and the campus in general. The sports, academic, and extracurricular programs at Kennedy had successful and innovative seasons.

Several sports teams won Metro titles this year, keeping Kennedy on top athletically despite an ineligibility problem. Most clubs had active and spirited years in '86 — '87. Fundraisers, held frequently, supported trips, outings, and gifts to charity. JFK's "academic athletes," the mathletes and speech and debate participants, had an outstanding year. Both individuals and teams competed well.

Student councils and cabinets enjoyed productive seasons; rallies and dances had high turnout and student participation. Publications — the newspaper, yearbook, and creative writing magazine — were high-quality productions as usual.

In sum, the activities and energy generated in this, Kennedy's twentieth year, continued our school's tradition of excellence. However, the Class of '87 did more than follow in the footsteps of previous classes; it blazed new trails of its own.

Spirit Week started off early this year, giving students from each class little time to prepare. However, as soon as the class meetings began, organization and spirit took over.

The freshman class started off the week with Nerd Day, giving many students a chance to express their true selves. There were also many laughs at lunch during the walkman- singing contest. Tuesday was Hospital Day, organized by the sophomore class. The mummy-wrapping and jellybean-finding contests and baked-goods sale established the mood for the day. The junior class was responsible for Hat and Clash Day on Wednesday. Although most students dressed up for this day, many seniors went on strike against the juniors at lunchtime. Students enjoyed the game Chubby Bunny, while others ate hot links and chow mein from the sales held that day. Thursday arrived, with many students dressing up for Back in the Saddle Day, put on by the senior class. Many students enjoyed playing Simon Says and participating in potato sack races. A chili sale was held to create a Western atmosphere. To complete the week, students showed their enthusiasm by wearing their school colors on Green and Gold Day.

This year's Homecoming Rally took place during seventh period on Green and Gold Day. Much time and planning was put into decorating the class sections of the gym. After its completion, many energetic students roared in to the gym prepared for the excitement.

The cheerleaders entertained the crowd with several routines, illustrating the changes in music and clothing over the two decades that have passed since the opening of Kennedy. These routines fired up the crowd, producing intense competition among the classes for the Spirit Stick. Once again the senior class captured the coveted award.

The Homecoming Parade immediately followed the rally on Friday. The parade, led and organized by Eddie Maria, traveled through a different area this year. A wide variety of organizations took part in the parade, from the JFK Marching Band to the Drama Club to the BSU Club. Of coarse, the spectacular class floats were the main attractions. The junior class took special pride in showing off their winning float, while the other classes also displayed their works.

The rowdy action of the third annual Powder Puff game kept viewers intent on the playing field. The senior class smashed the juniors, stunning the opposition with their aggressiveness and agility. The hours of practice paid off for the Class of '87, enabling them to destroy the juniors thirty-five to zero. Despite all the rivalry, both teams had a great time practicing, getting in shape — and watching the cheerleaders.

Once again, the Powder Puff cheerleaders stole some of the spotlight from the players. While showing off their muscular legs, the seniors matched the juniors' pyramid with several tricks of their own, keeping the crowd entertained.

Kennedy's twentieth annual Homecoming game was a fantastic success. The Cougars roared past the Dragons without being burned, crushing Sac High thirty-five to zero.

The mind-boggling plays put into action by the Kennedy players stupefied their opposition. Our team, although rallying against injuries, managed to find enough strength to slay the Dragons.

During the halftime break, JFK's Marching Band and Colorguard put on a creative show. After the band had finished, the moment of discovery was near. The Spirit Stick and float winners were announced, and the king was revealed as hundreds of colorful balloons were released into the air.

▸A lost soul

The Homecoming dance attracted a large number of students, making it very profitable for the Student Body Association. The theme of the dance was "The Lads Meet the Finest." Seven former Kennedy graduates who are now DJ's teamed up to present the "finest" Homecoming dance in Kennedy's history. Increasing the excitement of the crowd were "The Lads," a band composed of four past and present Kennedy students. The band played oldies from the 1950's and 1960's, the favorites of the audience.

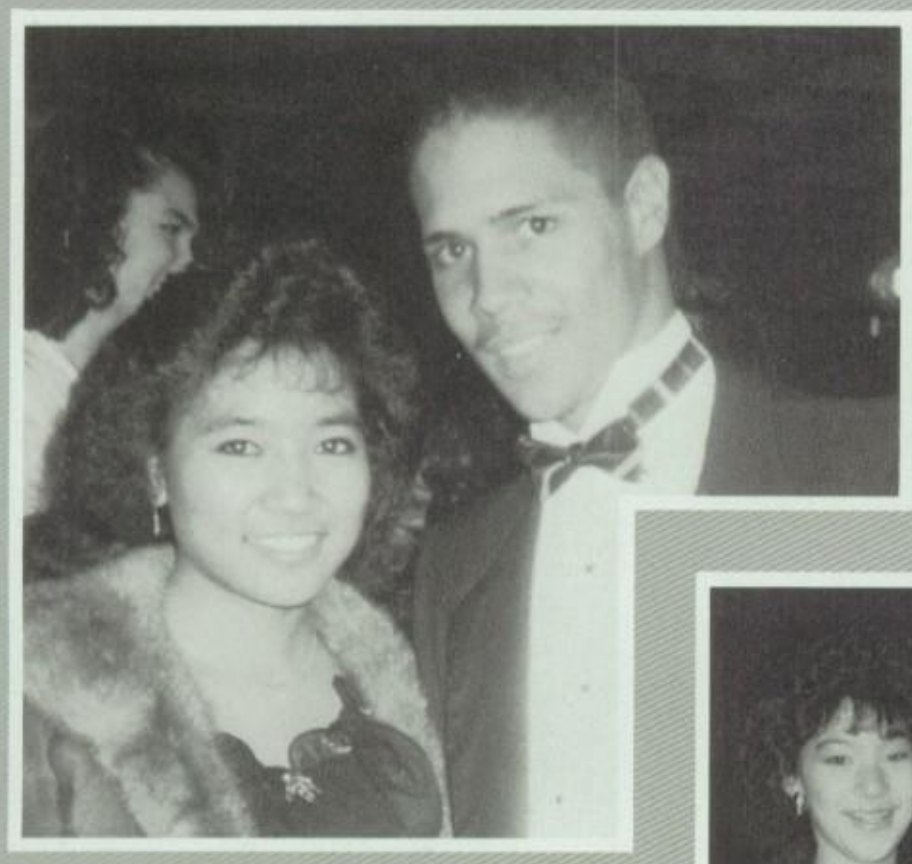
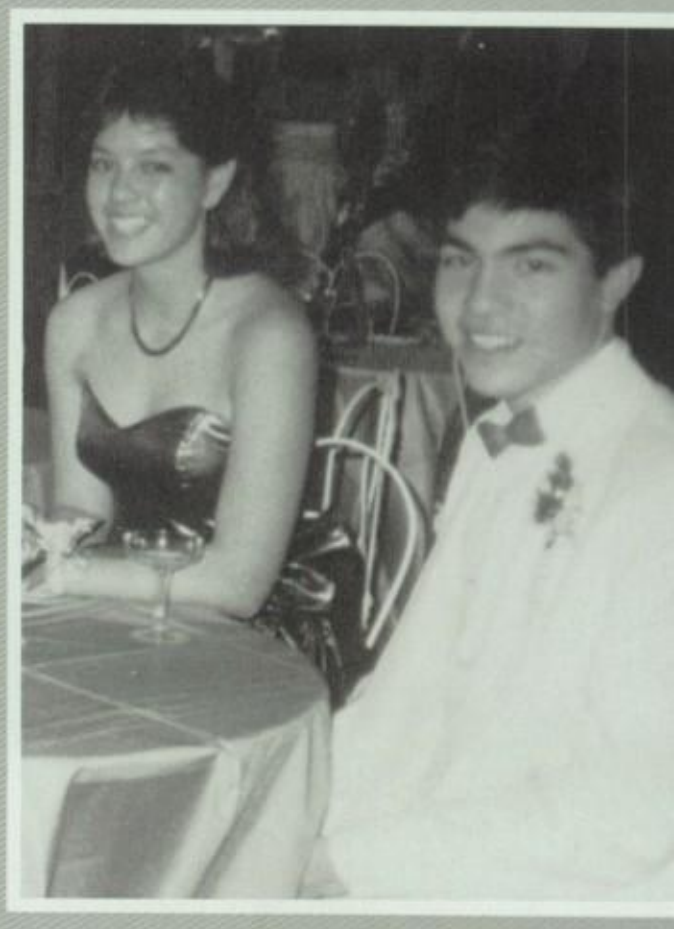
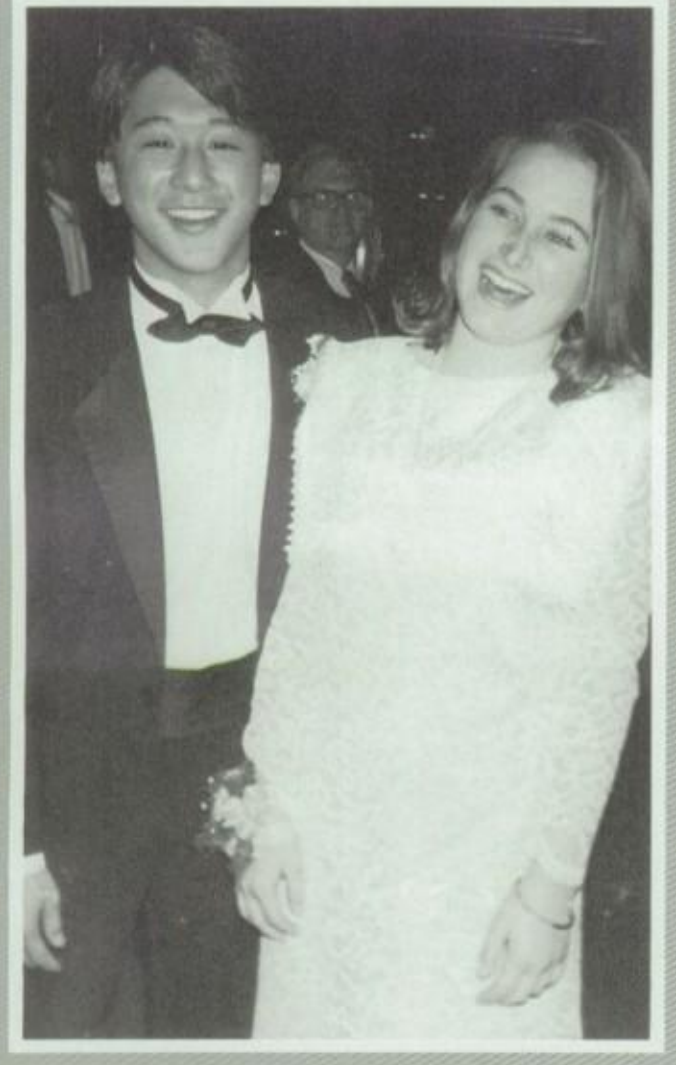
"Never Say Goodbye"







The twentieth annual Senior Ball, "Never Say Goodbye," was held at the CSUS Redwood Room on January 12. Everyone enjoyed the music provided by the live band, The Lads, and the DJ, Craig Reilly. The high point of the night came when the king, David Cloninger, and the queen, Tanya Robinson, were announced. They were joined by Princes Mark Reese, Gus Johnson, and Larry Wolfert, and by Princesses Erin Heiney, Kathy Smith, and Julie Honda.

The ballroom, decorated in blue, black, and silver, provided the perfect backdrop for the night's fun. At the close of the evening, couples left the ball cherishing memories which will never be forgotten.

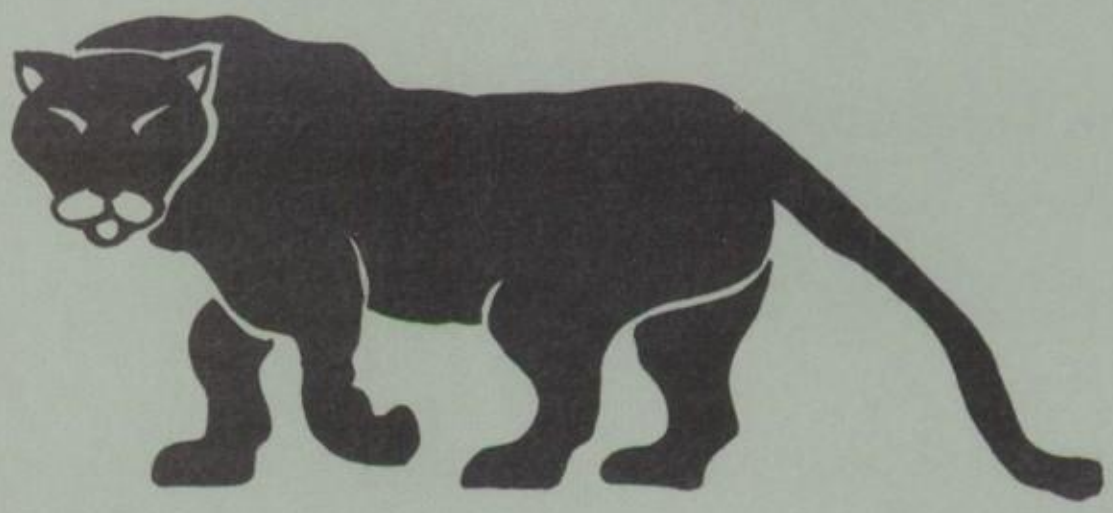
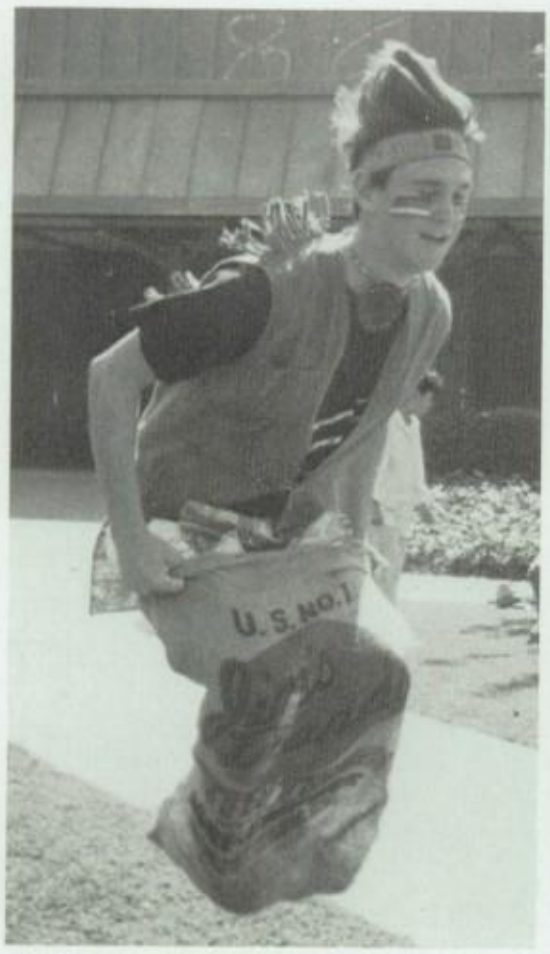
CLASS PORTRAITS



'67-'87

Let's Give a Cheer; '87 Is Here!



The twentieth class of seniors began the fall semester excited about making their last year their best. Headed by President Pamela Moore, the seniors won the spirit stick during Homecoming week.

One of the major tasks of the senior class during the first semester was organizing the Senior Ball. "Never Say Goodbye," held in the Redwood Room at CSUS, was a night many will remember fondly.

The Class of 1987 would like to express their deepest appreciation to Mr. Norm Smith and Mrs. Kim Clemons, the class sponsors, for all their time, help, patience, and support.

As the seniors' last semester started, they became excited and anxious for graduation. They knew that the last few months would go by quickly, so they wanted everything to end with fond memories.

President David Cloninger made sure that the seniors' last semester was their very best. The senior council took part in the "Leadership Day" at Great America on May 9. The senior banquet was held on May 29. Everyone sat with their closest friends and reminisced about their best times at JFK. On June 5 and 6, the seniors went to Disneyland. Everyone enjoyed being with their friends and having fun, for they knew that soon they would all be going their separate ways. Finally on June 9, the senior class got together for the last time of the year. They walked down the aisles of Arco Arena in green and gold robes.

There were feelings of relief and pride when Mr. Bone handed out the diplomas. The class of 1987 was very special. They're the ones who will make a better future for everyone.

Looking Great in '88

The Class of 1988, led by President David Olsen, is finally coming together as a class. Homecoming Week was a showcase in spirit. The juniors displayed tremendous spirit throughout the week. Their float, entitled "Sack Sac," placed first in the parade. Hat and Clash Day, the juniors' day in Spirit Week, inspired a hot link sale and a game of Chubby Bunny. Fund raisers such as M & M and chow mein sales were held. Hard work and especially class spirit have proven to be the key factors in the juniors' success.

During the spring semester the junior class spent most of its time preparing for the junior prom, "If Only For One night." President Wesley Namikawa, along with class officers and participating juniors, helped raise money for the junior class through candy sales, hot link sales, and chow mein sales.

Under the guidance of class sponsors Randy Jackson and Dolores Maher the junior class had an extremely successful year.

Simply Divine in '89

Under the leadership of President Karen Romero, the Sophomore Council had a very profitable and spirited fall semester. To support the class many fund raisers were conducted, such as M & M sales and gobble grams, which were sent out at Thanksgiving. In addition, the spirited sophs won second place for their float and also captured third in the spirit rally. The fall semester was indeed a success for the sophomore council.

The New Generation

With Mrs. Thomas and Mrs. Piskoti to lead them, th Freshmen Council started the year off without a hitch. Durin Homecoming Week, the class sponsored the forever-popul Nerd Day along with a Walkman sing-along contest. Early the semester, the class sold candy to raise money to start a T shirt and sweatshirt sale. The class also held a hot link sale an an M & M sale to add to their profits. Under President Dian Matsuo, their meetings were well-organized and productive. this semester's council is a sign of things to come, the Class '90 can look forward to some exciting times in the future.

The Principal

Dear Class of '87:

"In recognition of excellence" - the motto of Kennedy's twentieth anniversary - also applies to this year's graduating class. Each of you, in your own way, has been a contributor to the continuing Kennedy tradition of excellence.

A score of years, when looking forward, seems an eternity. When looking back, those twenty years are but the blink of the eye. Neither the eternity nor the blink is important; the value is determined by what each of you invests or receives during that time.

I am confident that at the end of your next eternity - Kennedy's fortieth anniversary - your blink of time at Kennedy will prove to be of profound value and full of rich memories.

Good luck and congratulations to each of you.

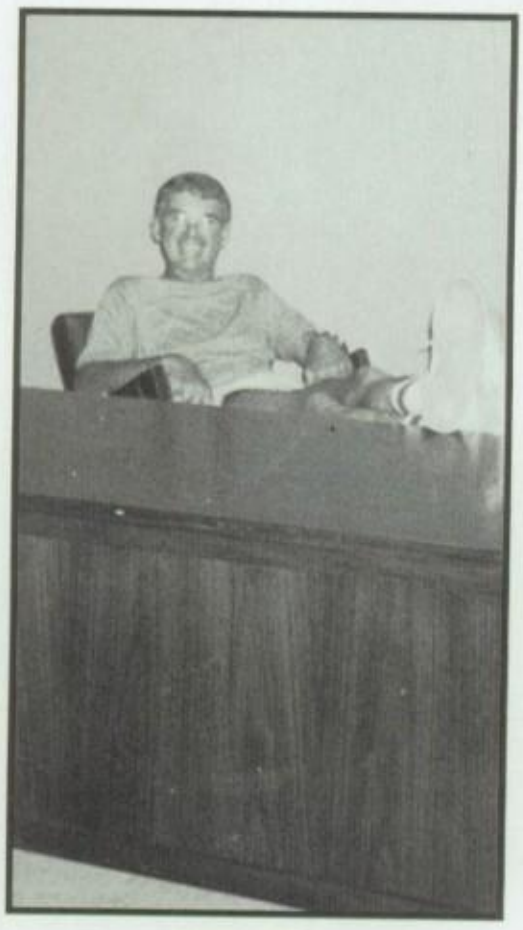
Mr. Clemons, You're the Greatest!



"OK, you guys, where is Mr. Clemons? Has anyone seen him lately?"
"He's not in his office? Did you check Casey's Co-op?"
"Yes, and Casey's Corner too. He's not in either place."
"How about the controller's office? The counselors' office? The Career Center?"
"I'll go check."
. . . Ten minutes later . . .
"He's nowhere to be found, guys! Honest to God, that man can disappear faster than anyone I've ever met. He's involved in so many activities that he could be anywhere on- or off-campus."
"You're right. I mean, he could be in the principal's office, or at the registrar's,or in the Art Department. Or maybe he had to run down to Kee Coleman to get some film developed. Is today the Optimist's luncheon? He could be there too."
"I give up!"

* * * *

Mr. Clemons, even though we sometimes think that you should have made your career as an escape artist (we know from experience that you have all the disappearing tactics of a professional magician), we've always known that we can depend on you. We've called you late at night to ask you technical yearbook questions ! "Mr. Clemons, can we overburn reversed lettering on flopped pictures?" - and you're always gracious about answering them. We know of no other teacher who expends so much time and energy and sacrifices so much of his personal life for his students (think of all those trips to Sea Ranch - true dedication!).

And your students aren't only those whom you supervise directly. Through the complicated and wide-spread web that is your jurisdiction as director of student activities, you touch *every single person* at this school. So, on behalf of every JFK student, we say thank you. However, we're also selfish enough to want to extend our own personal thanks to you, Mr. Clemons, for all of your help and support.

With love,
Libby and Walter

Mr. Clemons,

As I reflect upon my memories of John F. Kennedy, one incident I shall never forget was the "initiation ride" at Sea Ranch - what a frightful experience! Just as I shall never forget your driving, I will never forget your patience. Thank you for having faith in me to accomplish the ad pages - there were times when I almost lost faith in myself.

Love,
Shelly Schotsal

Mr. Clemons,

Knowing exactly what to say is an impossibility, but I want to let you know how appreciative I am of the guidance and encouragement you've given me. You've given me confidence that will never disappear. You've been an instrumental part of my development as a person and I will never forget everything you've done for me.

Love,
David Cloninger

Mr. Clemons,

In the years to come, as I reflect back on my "golden days" in high school, one of the memories I will cherish most is that of knowing in you a truly giving and selfless person. You have touched the lives of me and my fellow graduates, making our years at Kennedy High School special, and we will never forget you.

Love,
Kim Ohara

Mr. Clemons,

Thanks for all of the help that you have given me throughout high school. Without you I could not have become student body president. Thanks again for all the help.

Love,
Nick Mitchell

Mr. Clemons,

All of my success and future success will be because of all you have given and taught me. A simple thank-you doesn't express my feelings. But, whatever it's worth in words, thanks for all your support and faith in me throughout my years at Kennedy.

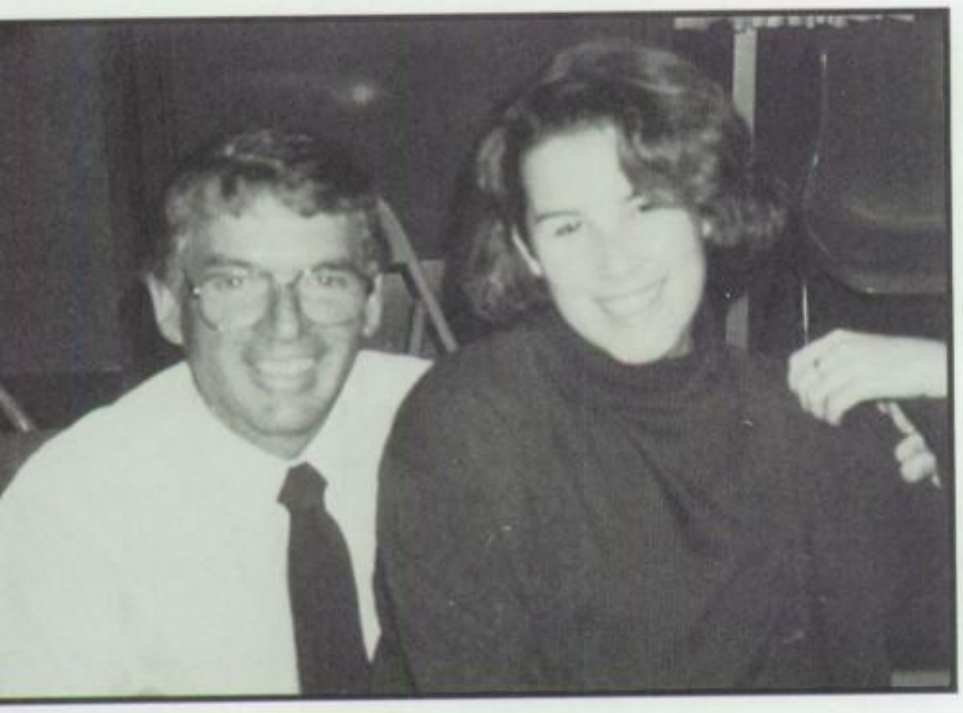
Love ya,
Angie Eng

Mr. Clemons,
The worst thing about leaving JFK will be not being able to see your smil-g face everyday. You have made my four years at Kennedy unforgettable. our never-ending patience, understanding, and support mean so much to me. ou are a very special person and I consider myself very lucky to have a friend ke you. You're one in a trillion!

Counting down the days until Europe,
Lisa Smith

Mr. Clemons,
There is so much to say and so little space to say it. You have truly been n inspiration to me. Your generosity and sincerity are characteristics which really admire. Thank you so much for all of your time, patience, encourage-ent, and especially your forever reassuring smile. Thanks for being the very pecial person you are.

Love,
Tanya Robinson



Mr. Clemons,
To one of the most caring individuals I have met. Your enthusiasm con-cerning my accomplishments has greatly helped me. I totally admire your giv-ing spirit and hope that someday I, too, may fully give of myself as you do. Thank you for being such a special person and I pray only the best of everything for you always.

Peace and love,
Kathy Klein

Mr. Clemons,
Thank you for what you have done, what you are doing, and what you will do for myself and all others who had, have, and will have you as an advisor and as a friend.

Love,
Laurie Fuller

Mr. Clemons,
Mr. Clemons - a name that I have heard many times throughout my years at Kennedy. Many students told me that Mr. Clemons was the best, and still is. Now I realize just exactly what those students were saying. Thank you so much, Mr. Clemons, for being a great teacher, advisor, and most of all, a great friend.

Love always,
Kelli Reese

Mr. Clemons,
How can I express in words the extreme gratitude I feel to you? You are the only person who truly accepted me for who I am. Despite your busy sched-ule, you were always able to comfort me with a warm smile and reassuring words. You will forever remain at the heart of my high school memories.

Love,
Wendi Imagire

Mr. Clemons,
Throughout the past four years, your guidance, support, and most of all your love have been greatly appreciated and very helpful.
You have made my high shool years definitely ones to remember. Thank you for everything.

Love always,
Pamela Moore

Mr. Clemons,
I don't know how to put my feelings into words. You've helped me so much. I hope I've been able to do enough for you. You will always be a major influence in my life. I don't know what else to say except thanks.

Friends,
Larry Wolfert

Mr. Clemons,
When I think of my years at Kennedy, one person stands above the rest - you. Your warm smile, undying optimism, and friendship will live in my memories forever. Thank you for everything.

Love,
Sara Quessenberry

Mr. Clemons,
Grazie, Byron and Kim. You are two of the most enthusiastic and sincere people I know. I've learned so much from you both, at school and in Europe. From Notre Dame to newspaper, what you've taught me has been invaluable. Thank you again.

Love,
Kathy Albiani

Mr. Clemons,
Thanks for supporting us through the years in student government. We have learned so much under your guidance. We hope you will be here for another twenty years, for without you this school would not be the #1 school it is today.

With fond memories,
David Luchini and Eddie Maria

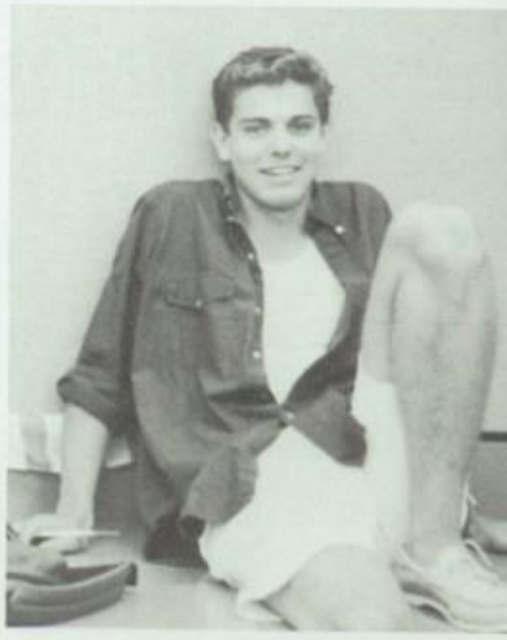
Fall Cabinet is on Top !

▲Row I: Student Body Vice President Sara Quessenberry, Student Body President Nick Mitchell, Student Body Secretary Angie Eng, Student Body Treasurer Kelli Reese. Row II: Mitchell Nagao, Leanne Yuke, Denise Okamoto, Staci Fukuoka, Tanya Robinson, Laurie Angell, Wendi Imagire. Row III: Martin Balzer, Dana Lampi, John Fong, Judy Kawasaki, Pamela Moore, Karen Romero, Monique Laven, Rachelle Fong, Stacy Wong, Cynthia Ong. Row IV: Larry Wolfert, Rodney Olsen, Gus Johnson, David Cloninger, Kevin Zellmer, Eric Carlson, David Luchini, David Olsen, Eddie Maria.

Who keeps the school running smoothly? The John F. Kennedy Cabinet, under the excellent supervision of Mr. Byron Clemons and the dynamic leadership of Student Body President Nick Mitchell. Kennedy's fall cabinet got off to a great start in 1986. Student government accomplished its many tasks this year because of the enthusiasm and the diligence of each of its members. The cabinet's job was to raise and distribute the money needed for dances and various other school activities to ensure the most possible enjoyment for all students and faculty. One of the most challenging goals of this year's fall cabinet was to have an enjoyable and successful homecoming. J.F.K.'s twentieth annual Homecoming was definitely a successful achievement. The theme of the special Homecoming dance was "The Lads Meet the Finest," and the dance was certainly one of Kennedy's "finest." The dedication of fall cabinet paid off many times over for the student body.



Constructive Cougar Cabinet

Row I: Secretary Stacy Wong, Treasurer Pam Moore, President Eddie Maria, Vice President David Luchini. Row II: Cynthia Ong, Laurie Angell, Lisa Smith, Tanya Robinson, Terri Jackson, Staci Fukuoka, Wes Namikawa, Kelli Reese, Kathy Longaker, Monique Laven, CeCe Smith. Row III: Brad Dotson, Marc Nobuhata, Audrey Kawahara, Jill Yamada, Rod Olsen, Karen Romero, Martin Balzer, Brian Silva, Audrea Lindsay. Row IV: Ross Foon, Mads Nepper, Larry Wolfert, David Cloninger, Greg VanDam.

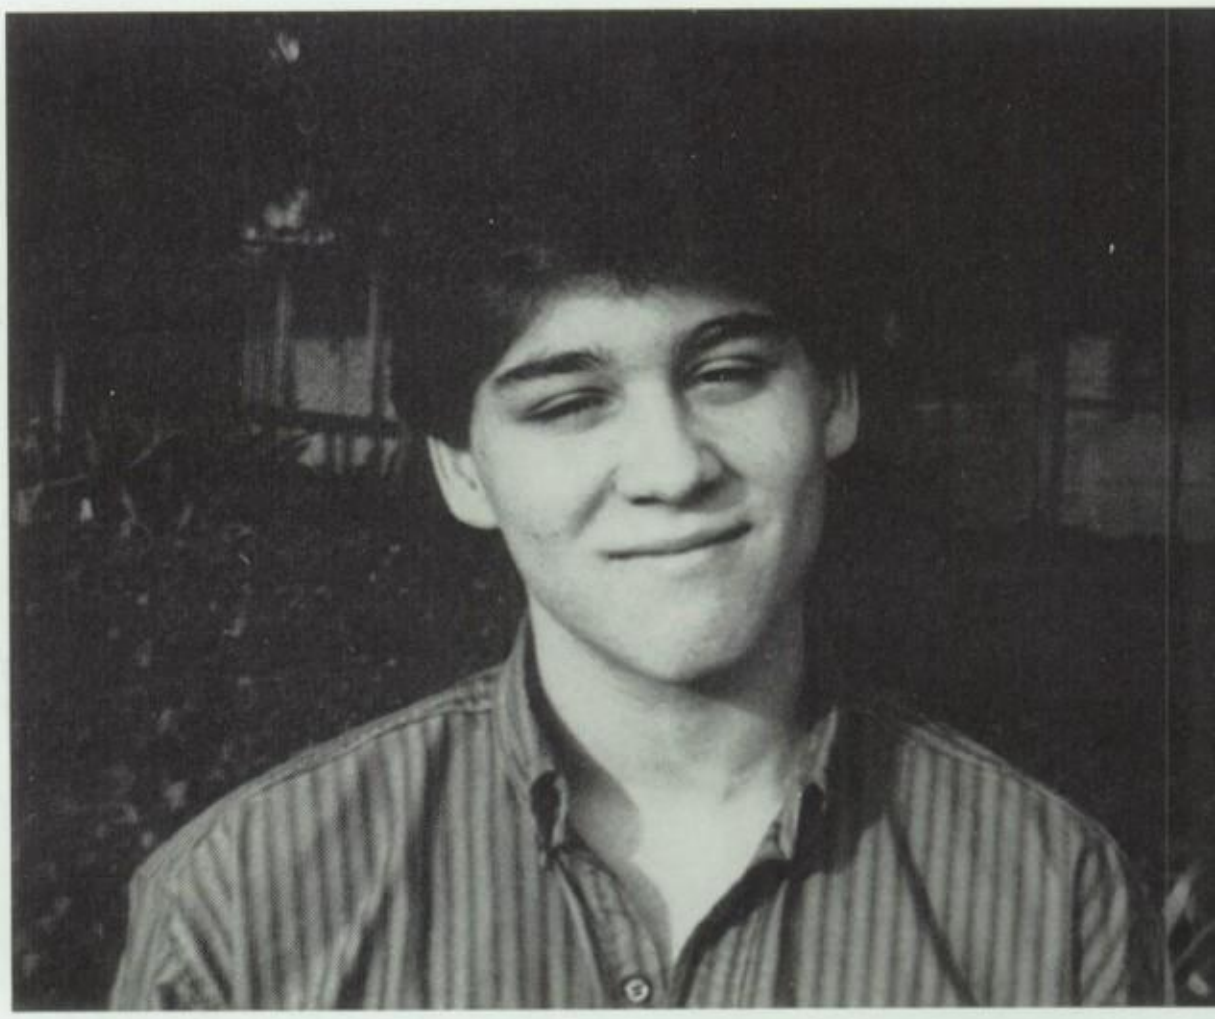
Under the leadership of Student Body President Eddie Maria, the Spring Cabinet of 1987 focused its efforts on building a better and closer relationship with the administration.

Their efforts concentrated on improving the security in the student parking lot and keeping Kennedy's campus clean.

The Cabinet also organized the annual talent show and sponsored the spring dance. With the tremendous effort, dedication, and spirit the cabinet put forth, the spring of 1987 can be considered a successful and productive one.

SAC Attack

The purpose of the Student Advisory Council is to provide a channel through which students from Sacramento area schools can come together to discuss the positive and negative aspects of their schools. By meeting with Area Superintendent Adolphus McGee, the ideas of the students are relayed from the campus to the Board of Education. This year Kennedy was represented very well. Along with Mary Beth Barber, Mark Mitchell, Karen Romero, and Larry Wolfert on the council, Eddie Maria was actually elected to the Board of Education. Together, the group debated on the hot topics of a medical clinic, the banning of smoking areas, and the possibility of closed campuses. Throughout the year, SAC did its best to communicate the thoughts of Kennedy's student body.



Eddie Maria, Karen Romero, Mark Mitchell, Larry Wolfert, Mary Beth Barber.

Communicative Cougars

From announcements in the bulletin to information posted on the marquee, communications keeps the students of Kennedy aware of all school activities. These efforts have helped to enhance the support of Kennedy's athletic teams. Heading the group in the fall semester were Rod Olsen and Wesley Namikawa. Monique Laven and Wendy Bogdan took the helm in the spring semester. Additional help was given by sports communicator Rod Olsen. This group deserves thanks from those students who would otherwise be uninformed.

Row I: Elena Perez, Leanne Yuke, Jon Fong, Wesley Namikawa, Rod Olsen, Stacy Wong, Judy Kawasaki, Dana Lampi, Nathan Haramoto. Row II: Mitchell Nagao, Eric Carlson, Monique Laven, David Cloninger, Gus Johnson.

Row I: Larry Wolfert, Monique Laven, Kathy Longaker, Lisa Smith, Karen Romero, Jill Yamada. Row II: Marc Nobuhata, Ross Foon, Greg VanDam, Eric White, Ce Ce Smith, Audrey Kawahara.

Cheering's Their Game

This year, Kennedy's cheerleaders went a different course than usual. Rather than participating in a camp with 300 other cheerleaders, they received direct and singular attention from Pepper Von, a well-known dance choreographer. As usual, they performed in the Oakland Coliseum before a crowd of 10,000, during halftime of one of the Golden State Warriors basketball games. Tanya Robinson and Staci Fukuoka, the squad heads, would like to thank Ms. Matisco for all her support, dedication, and guidance. But let's not forget to thank the cheerleaders for keeping the spirit at J.F.K. at its highest.

Row I: Kathryn Holmes, Allison Nagao, Tracy Alire, Tiffany Jordan, Cynthia Washington. Row II: Simone Ghoston, Tanya Robinson, Diedre Watson, Vicki Fisher.

J.V. Spirit Reigns

The spirit stick won by the J.V. cheerleaders at the cheerleading camp they attended at Stanford University was a perfect example of this year's spirited and enthusiastic squad. Led by Connie Spencer and Alison Flatt, they showed the type of energy that influences and impresses crowds.

In addition to their spirit, they also possess considerable talent, illustrated by their football and basketball half-time routines. The close friendships among the squad members have proved beneficial and keep them cheerful and energetic.

Row I: Allison Flatt, Robin Dutra. Row II: Lynn Thompson. Row III: Michelle Losenicky, Connie Spencer, Cindi Stroth.

Cougar "Spirit" Soars

Under the leadership of Tanya Robinson and David Luchini in the fall, "The Homecoming Rally was the best I've seen yet," commented one junior. Also responsible for the successful spirit rallies were the cheerleaders and the A.V. staff. The cheerleaders spent endless hours during practice perfecting difficult moves and routines for half time shows and spirit marches.

Counting the Votes

Fall Semester. Front Row; Mimi Lee, Gina Danti, Michele Mah, Wesley Namikawa, Wendi Imagire, Laurie Angell, Karen Romero, Denise Okamoto. Row II: Sara Quessenberry, Angie Eng, Larry Wolfert, Nick Mitchell.

According to Kennedy's constitution, the Elections Committee "shall supervise all student body and class elections, establish detailed rules for the conduct of campaigns and carry out the election as set forth in the constitution." Thanks to Wendi Imagire and Terri Jackson the committee did exactly that. They made sure all the elections were conducted fairly and ran smoothly. They were responsible for the task of opening and closing the polls, enforcing the rules, publicizing the elections, and staying after school to count the votes. Due to their hard work, all the elections ran without a hitch.

Centralized Cougars

Casey's Corner is a student-run, profit-making organization. Students ranging from freshmen to seniors volunteer their morning, lunch, and afterschool time to work in Casey's. Because of its new location, Casey's Corner has increased its profits by forty percent and has had to increase its working staff. The profits from Casey's are distributed to the student association and sports activities. Under the supervision of Kim Clemons and management of Darby Kernan, Casey's had its most successful year yet. As manager Darby Kernan declared, "It was a lot of hard hours in working, but it was worth it."

AFS is an organization of students and adults who work to bring people and countries closer together. It enables students to travel abroad and experience new cultures. AFS organizes host families to house foreign students, as well as sending American students abroad for a summer or school year. The Kennedy AFS student chapter, led by Allison Flatt and sponsored by Carolyn Tinsley, was busy with fundraisers, parties, and the processing of student applications. The money raised goes to help Kennedy students continue to afford the cost of travelling abroad.

California Kiwi

My year at Kennedy High School has been an incredibly memorable time. I've seen and experienced things that back in New Zealand I'd only ever seen on T.V. Coming from the other side of the world to a strange place with strange people is really hard, but everyone at Kennedy and outside of school makes it seem just like home. Suddenly it's not so strange anymore. I would like to thank all my teachers, Mr. Clemons, Kennedy A.F.S., and especially my wonderful family. Mike, Olga, and Monica have been fantastic. I couldn't have wished for a better family. I would also like to thank every one at Kennedy who made my year so memorable. I know this sounds like an acceptance speech at the Academy Awards, but I mean it. I'll never forget you.

P.S. I don't know how I'll survive without Burger King and McDonald's.

How Swede He Is

Hej Svenskar och alla ni andra bondlurkar!

This year was what I thought it would be - wonderful. When I first heard that I would stay in Sacramento and California, I was more than glad. California was the dream state to come to for me, maybe together with Florida. I have never regretted that I came here. It became better with each day that passed.

Sacramento is a big city compared to what I'm used to from home, so most things are different. When I first arrived I thought there were many differences, but as soon as I got used to them, I didn't realize them all since they were so commonplace.

Kennedy is a great high school, and I can say that I really enjoyed my stay here, even though it is not over while I am writing this. I'm glad to have met so many new friends, and I'm thankful to everyone who made my stay here so enjoyable and memorable. I will never forget you. If you ever come by Sweden and wonderful Värmland, you are all very welcome.

Kennedy Meets its Finnish

Tervehdys kaikille!

Well, I have been in America now almost six months, and I have had a great time. When I was filling my application in Finland, I could not believe I would make it. But I did, and I'm happy about it. I'm glad I had this opportunity to spend this year in California because California is such an exciting place to live. While I have been here I have enjoyed American school, and I have learned the way of living in America. Everything here is so different than in Finland, which has made my stay here so interesting. I have enjoyed every minute.

I want to thank all the people who have made my year here so special to me. Especially I want to thank my host family, the Packards, who have taken good care of me. It has been a great experience. THANK YOU!

Love,

Spain's Pachi

I like California so much. I think this is the most beautiful part of America, especially with the beaches and a lot of famous cities, such as Sacramento, Los Angeles, and San Francisco.

Teachers in the U.S. schools are approachable and friendly rather than formal with their students. School in Spain is so different from America.

In Spain you don't need to change classes. You stay in the same class and the teacher changes classes.

I noticed that here in America people love to play sports. We have the same sports in Spain except football. Our popular sport is soccer.

A Dream Trip to Italy

Everything changed . . . from the language to the driving. I have yet to figure out if Italians are the best or the worst drivers. The worst because of how they drive, or the best because of being able to drive the way they do. No matter how they drove, I had the most special summer of my life. I fell in love with the people and country of Italy.

The people were warm and caring. They truly took the time to show me how they lived and felt. My friends loved trying to teach me Italian and my trying to teach them English. Italy in general is a place that I love and miss, especially my family and friends. I hope to return soon.

Ciao!

The members of the French Club have combined both spirit and enthusiasm to achieve another fun year. For example, all French Club members are now experts at eating French cuisine because of many trips taken to French restaurants, including Aldo's.

Other activities include a cheese-tasting party and a spring picnic. The French Club also performs charity work, selling candy canes to support homeless orphans. With the help and support of President Stacy Wong, Vice President Shelly Longaker, and Sponsor Mrs. Tornabene, the French Club got a taste of the gourmet life.

The Spanish Club is a group of students who are interested in the Spanish culture and language. The club held meetings monthly to plan activities and trips. Under the leadership of Mrs. Maher, President Joanne Ong, and Secretary Tricia Law, they planned a trip to Monterey in the spring. In order to pay for some of their expenses, they sponsored many fundraisers.

The German Club, headed by President Felicia Wong and sponsored by Mrs. Frank, was quite a small one in '86-'87. However, the club didn't let their reduced membership size stop them from having an active and successful year. Club members held several fundraisers to boost their budget; over the two semesters they sold German candies, M&M's, and Valentine grams. The money raised funded their annual year-end dinner.

Their most prominent one was a candy sale benefiting a local orphanage at Christmas time. This club also went to Aldo's, a fine French Restaurant, and planned to have an end-of-year picnic. According to Mrs. Tornabene, the group's advisor, "The purpose of this club is to get together in a relaxed atmosphere."

This year's Black Student Union, headed by Simone Ghoston and Erinn White, was one of the most active clubs on campus. Their great money-making fundraisers enabled them to have very successful activities. They started the year off with a bang by attending the play *The Amen Corner,* written by James Baldwin and put on by the Sac State drama department. In November, the B.S.U. had their first Annual Black Student Union Thanksgiving Dinner, during which the members and black faculty came together to discuss the goals of the B.S.U. and what assistance the faculty could give to the members in carrying out these goals. In December the diligent members volunteered their time at the United Negro College Fund Telethon. Kennedy's B.S.U. devoted much planning to Black History Month in February. The celebration of this month included a dance, sales of many cultural foods, and an assembly to illustrate the many contributions that blacks have made to American culture. A trip was planned to Atlanta to visit the campuses of several black colleges. It is evident that the effort of the 1986-87 Black Student Union has started traditions that will be carried out in years to come by future members. Kennedy's campus will be much the better for it.

Getting a Head Start

MESA serves a very important purpose at Kennedy. It provides members of various minority groups, who are interested in the fields of mathematics, engineering, and science, the opportunity to study them in greater depth. All members have the opportunity to receive help in their classes after school.

This year the club is being sponsored by Mr. Blumenschein and Mr. Musallam. The students are being led by President David Davis, Vice-President Pamela Moore, and Secretary Terri Jackson.

Some of the activities they have planned are a pizza/movie night, a luncheon, and a field trip to several of the Southern California colleges. MESA gives minority students an excellent and rare opportunity to have fun and plan for the future at the same time.

The California Scholarship Federation is a club for those who show superior scholas

to elect officers and plan activities. This year a tutoring service was established with CS
members helping other students. An M&M sale was held to supply the club with mone

seniors who were long-time CSF members.

Decathletes Match Wits

Academic Decathlon is a small group of juniors and seniors who compete as individuals and as a team in various scholastic tests and demonstrations. Competing in categories determined by grade point average, the members take tests ranging from science to economics to fine arts. The group is advised by Mrs. Corzine and Mrs. Steinberg.

Risky Business

The students involved with future Business Leaders of America had the opportunity to learn about the business world. They learned how to type, the importance of giving a good job interview, accounting, and other vital business-related activities.

In November, the club attended a state conference in Anaheim where they took part in many useful workshops. But all work and no play makes for a dull day, so they also enjoyed a day of fun at Disneyland.

Fund raisers such as candy and hot links sales were very successful. Mr. McCune and the club's president, Jane Furukawa, both agree that F.B.L.A. has prepared its members for their future career goals.

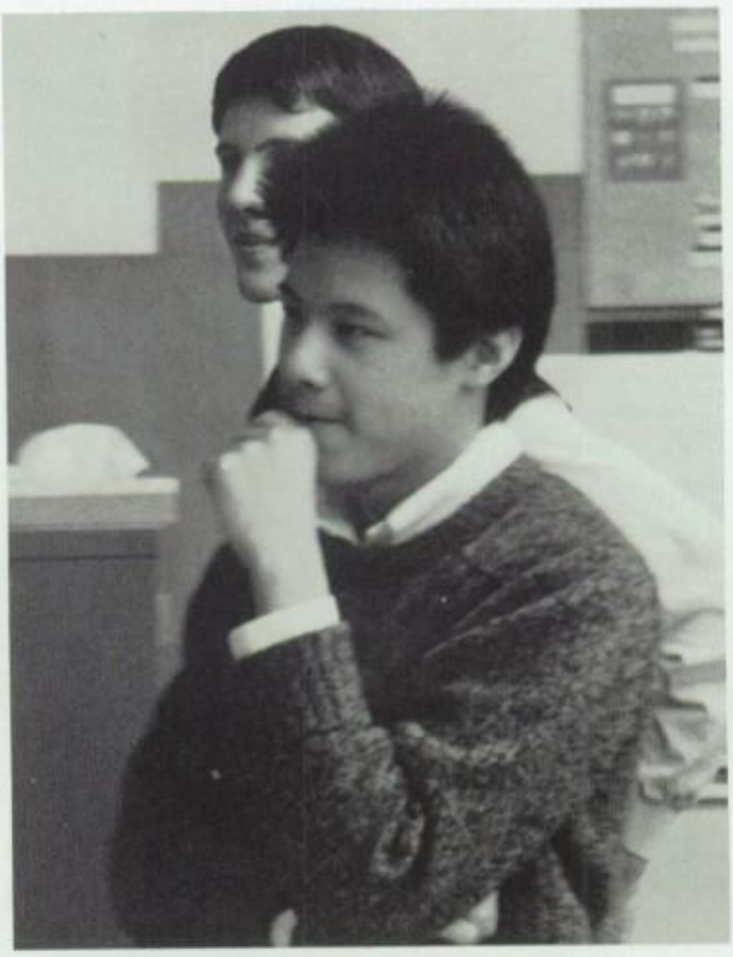
The Math Club president, Chris Wong, is very enthusiastic about the club this year. He says, "Here in the Math Club we strive for academic excellence in many areas of mathematics, including algebra, geometry, trigonometry, and calculus. The many students who are interested in math show their dedication by participating in interschool competitions, pitting their best thinking against the best of other local high schools. They also participate in state and national competitions. Needless to say, our 'mathletes' have performed excellently. Team spirit is high, and we even have our own math cheer: '2, 4, 6, 8, let's go out and calculate!' "



Chess Club Slides into Action

The Chess Club is an informal organization made up of chess enthusiasts who gather weekly to practice and perfect chess skills. The fifteen member club is headed by President Mike Owyang and Vice President Rob Evans with advisor Mr. Wardlaw. Competing with other area schools, the Chess Club did surprisingly well, considering its inexperience. Because they won so many early tournaments, the members had aspirations for the All-Metro title at the end of the year.

Under the leadership of Mary Beth Barber, the president, the club had another successful and exciting year. The group over the course of the year competes against other high schools in four local tournaments and three invitationals and in the state qualifier, which is held March 20th and 21st here on our own campus. Whatever the event or tournament Kennedy's speech and debate team managed to win several awards! Mr. Morse, the club advisor, who has given extensive support and excellent guidance to each of the members, says this of the team: "The 1986-87 speech and debate team is not only the largest and most successful in J.F.K.'s history, but it has the most underclassmen. As creators of birthday greeting posters and public announcements, Creative Advertising has helped to promote student awareness of Kennedy's activities. Mr. Norman Smith is responsible for most of the success Creative Ad has attained this year. Club President Cynthia Ong also provided leadership and encouragement throughout the year. In addition to their other projects, Creative Ad also produced the various posters used at the annual jazz festival in Old Sacramento.

The credibility of the John F. Kennedy Art Club was clearly shown with their original scarecrow, which took first place in the annual Nut Tree Competition.

After this goal was met their attention was turned towards raising money for their trip to San Francisco to see the musical production of Cats. Under the guidance and leadership of Mrs. Carol Piskoti and club president Sheryl Katayama, the Art Club had a very productive year.

Question: If it was deadline time, where was the *Clarion* staff: Answer: Not in the newspaper room!

If you have noticed any newspaper reporters sulking through the halls this year, studiously avoiding both *Clarion* advisor Kim Clemons and editor-in-chief Kathy Albiani, chances were that it was the dreaded day of the deadline.

Either that, or the secretive reporter was hot on the trail of a major news story, of which the *Clarion* had its share this year. The hot issues of '87 were the elimination of the smoking area, the lack of parking lot security, and the strike by the teachers, among others. Covering these topics kept *Clarion* reporters busy.

In addition to a new emphasis on straight news, the *Clarion* introduced two new columns, "A Word in Edgewise" and "Record City Reviews," which ran in every issue. A new, more creative layout style was tried out and improved graphics were added.

With these improved graphics, new features, and quality writing, *The Kennedy Clarion* printed in 1986-1987 its best issues ever. If the trend toward improvement continues at this rate, look out, *Washington Post!!*

"Oh, No! Deadline Time Again!"

As we reflect back on the 1986-1987 school year, these events stand out in our minds: the October Sea Ranch trip, where Hoss, Brow-dog, Larry-dog, Walt-dog, and Benihana were born; where ghosts terrorized people with shoes, lamps, and cigarettes; where underwear became mysteriously frozen; where campfires turned ordinary people into rock stars and disco singers; where the *Reflections* version of "You Be Illing" was created; where *The Big Chill* and *Stand By Me* soundtracks became anthems; and where half the bus felt ill because of Mr. Clemons' driving. We also remember Dave's birthday party, where whipped cream became make-up; where we consumed pizza, Pepsi (and Coke!), and Cookie Monster cake; where we tested each other's "scruples"; and where we heard those memorable words: "Wouldn't it've been funny to see all the student leaders in jail?" And we could never forget Walt and Shelly's stories - how many times have we heard about the night of the Senior Ball? And how many cops is Shelly on a first-name basis with?

The *Reflections '87* staff was, without any exaggeration, the best yearbook staff ever. We could always count on *every single person* to do anything we asked of them. Every person on the staff is special to us.

Denise was a hard worker without making waves (unlike brother Jon). Although Kristen stumbled a lot, she never fell down on the job, smoothing over every deadline with her sense of humor. Monique was always perfect, even when we weren't. Dave revealed his interest in astrology (especially the moon) when Mo wasn't around. Larry took excellent pictures for us (when he wore his glasses). Shelly, a.k.a. Banana Queen, was a pathological exaggerator, but it paid off in ads sales - (the greatest yet). Kim was perfection - what more can we say? Kathy K. brought her unique sense of style and low-key, dry sense of humor to the staff. And Rob-dog: looks can be deceiving! Even at deadline time, Lisa kept up the jokes and stories, preserving our sanity. And who hasn't heard of Laurie - or *heard* Laurie (laugh)? If there was any way to find a shortcut, Nate found it, and did we hear something about Barbie dolls? Tasha was a conspirator with Walter in the Sea Ranch shoe scare *and* in the gossiping that went on at 10:00 pm on the nights before deadlines. Rachelle joined in the gossip too, providing *many* stories of her own. Julie had a particular liking for F Thomas. Tanya's graciousnes in putting up with us was appreciated - but w will she get her license? And Kelly always seemed to know the answers to e yone's questions.

Finally, us. Although we yelled and screamed a lot (the phrase "mee time!!!" is probably ringing in everyone's ears), we do appreciate the time fort, and headaches that everyone put into his work. OK, OK, we had quirks: Libby had an obsession with grammar and syntax errors, and Wa never ever slept. But in the end, we truly love *each* and *every* one of you we'll certainly always remember this year as the "specialest" one ever.

Elizabeth Feil Walter Macie

P.S. We would also like to express our thanks to the people at Kee Cole studio, and especially to Mr. Roger Grooman, for all their fine work. We appreciate Mr. Richard Kellogg for taking the aerial photo in the front o book and Gina Garrett for the excellent cougar sketches that appear on divider pages.

Of course, we couldn't have done anything without Mr. Byron Clem our advisor and friend. Mr. Norm Smith, the Art Department chairman, invaluable, as was Mrs. Kim Clemons (but if she *ever* steals another pictu Last but never least, we must thank our parents for letting us stay after sc to work on our deadlines until two in the morning (although not without a ments).

Strike Up the Band!

One of the greatest assets possessed by JFK is its marching band. Only those who are in the band know the sacrifices that must be made in order to be one of the best marching bands around. They are the people seen practicing everyday at lunch and on Saturdays, not to mention all the long, hard hours they practice at home.

This year, all their hard work paid off. Under the guidance of Brad North, the marching band put on a half-time show for our Homecoming that we will never forget. In November they were invited to San Francisco to take part in the celebration of Columbus Day. In December they were chosen to participate in the Santa Claus Christmas Parade. In February the band took part in the Winter Guard Show, which was held at Kennedy. They were also invited to perform in the Camellia Parade. In March the band played in the CMEA Golden Empire Concert Band Festival at CSUS. They finished the year by attending the CMEA State Convention for a weekend.

Led by Steve Mercer and Richard Moore, the Kennedy High School Marching Band Drum Line has had an extremely busy year. Besides staging their own floor show, the drum line performed in many parades. The group traveled throughout California, performing in Santa Cruz, Los Angeles, and San Francisco. The drum line also visited Washington in the spring and is planning to visit Hawaii this summer. Kennedy High School has much to be proud of in the drum line and in its reputation as one of the best in California.

This year's 1987 Colorguard had an extremely successful year under the supervision of Karin Sekikawa. The captain of the group, senior Kerri Arndt, did an excellent job of keeping the girls well organized.

The girls also did an outstanding job in competitions. They brought home first place trophies from many places; their achievements include victories over Vallejo, Del Oro, and Pacific Grove.

Kennedy's jazz band has successfully completed another year under the superb leadership of Director Brad North. As a result of Mr. North's guidance and the musicians' talent, the band competed victoriously in many jazz festivals. For example, the band traveled to Sonoma State and earned all superior ratings. In addition, the players attended several other competitions, including the Clovis Jazz Festival, the CMEA, and the American River College Jazz Festival.

Kennedy's Concert Orchestra, headed by Mr. Duane Cunningham, consists of seventy talented musicians. Our school has one of the largest orchestras on the entire West Coast. These musicians play a wide variety of music, from Bach to Broadway. They also perform monthly from October to June.

The orchestra has had a very successful year. They were selected to appear at the California State Music Educators' annual convention, one of only three high school orchestras in the state chosen to do this. For the eighth consecutive year, the orchestra has won "superior" ratings at the golden Empire Music Festival. As Mr. Cunningham says (with no exaggeration, of course), the orchestra is "a magnificent high school musical group that carries its successful tradition with great pride."

At Kennedy there are three groups for people who like to sing. These groups are the concert, jazz, and acapella choirs, all headed by Chris Williams of the Music Department.

The concert choir competes in shows throughout Sacramento. The jazz choir also competes, but has traveled as far as L.A. for a show. The acapella choir is composed of primarily freshmen and beginning singers and is all-female.

This year the three groups participated in a Channel 10 Christmas commercial. They also held their annual musical, this year "Oklahoma."

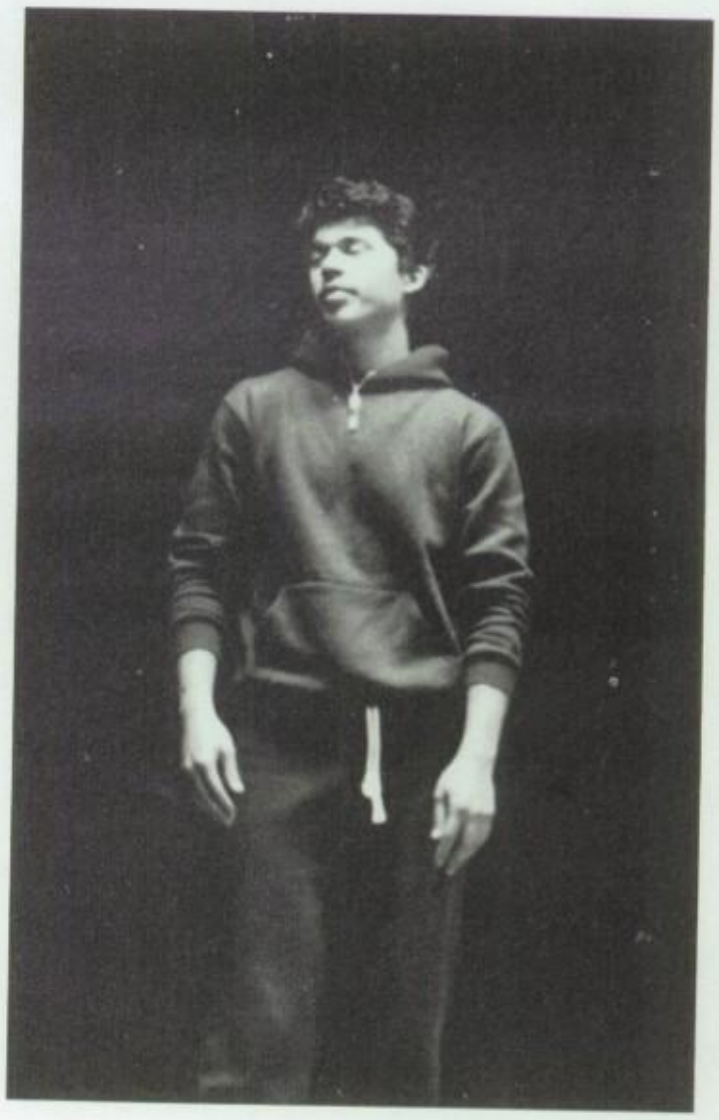
To be or not to be was the question raised by the 1986-87 Drama Club. Although they were slow getting started the club eventually flowed smoothly under the leadership of President Mary Unruh. This year the fall play production was "The Night of January the 16th," by Ayn Rand. Admission to the plays is next to nothing, so the Drama Club planned to raise some money by having a car wash and selling grams. The money they earned was spent on trips to see several different play productions, especially the Shakespeare Festival in Ashland, California.



. . . on the Drama Club!

This year Drama Club Director Helen Scott decided to let the students themselves direct the plays. Ranee Temple's "Postponing the Heat Death of the Universe" was the only play scheduled to be student-directed. The students were also busy preparing to perform at the Lenea Festival, where they had the opportunity to compete with other student actors for medals. Dinner theater, scheduled for the spring, was something to look forward to also. In short, Drama Club is a wonderful way for creative students to have fun while expressing themselves.

Top Gun

ROTC is Kennedy's newest organization, one designed to teach students the qualities of leadership. The members do a lot of physical fitness and marksmanship training. In the fall the group made two trips to Alameda to see the Blue Angels and the U.S.S. Arkansas (a guided missile cruiser). Under the leadership of Sgt.-Major Alfred McClymond and Major William Benjamin, ROTC has had a great first year. Hopefully, their success will carry on for many more years.

Despite their average record, th varsity football team shared a spi it of togetherness. As Nate Har moto commented, "The unity the team carried us through th season. If it were not for a few ba breaks we would have been rig there." One of these "bad break was the large number of injuri the players suffered this year. Th factor, when added to the inelig bility problem, resulted in a toug situation for the team. Under the guidance of Head Coach Tom Gutierrez, this year's junior varsity football team finished with an overall record of 3-6. This season's team started off with a lack of players, and due to many injuries and an ineligibility problem they ended up with even fewer. But the guys still held together a strong offense and defense and showed great potential.

This year's Most Valuable Player was tailback Mario Robinson. Other outstanding players were Chris Costello (Outstanding Lineman) and Eric Mauldin (Outstanding Back).

The J.V. team, because of the problems they faced, didn't get to show off their talent as often as they would have liked. However, if the guys learn from their mistakes, next year's season should improve dramatically.

It is the longest three seconds in life, as wrestlers wait for the referee to blow the whistle for the pin. Every muscle is straining and arching from the constant pressure and pushing of the opponent. The mat used for padding is anything but soft and is often spotted with blood. The whistle finally blows and a small, undetectable sigh escapes from the wrestler.

Although the wrestling team won only one match, against McClatchy, there was a tremendous amount of individual effort. This year the team was led by senior heavyweight Robert Richardson. Brand-new coach Fred Marx, with the assistance of former Kennedy wrestler and State Championship contender Ross Meier, coached the team this season.

It was Thursday, October 23, and it was the championship game of the Metro League, with Kennedy versus Christian Brothe once again. The referee blew his whistle, signifying the end of the game, as the crowd of spectators and the Kennedy soccer tea exploded with happiness. Kennedy had captured the league title by winning this all important game 1-0.

Victory was almost routine for the Cougars, who ended their thrilling season 16-1-3. They were completely undefeated in regul tion play, with their only loss coming in penalty kicks in the TOC semifinals against Del Campo. Kennedy finished in third plac

The Cougar team consisted of possibly the most talented group of players Kennedy has ever seen. With ten seniors and impre sive juniors and underclassmen, the team was powerful and extremely skilled, led by All Metro MVPs and All City players Ma Yarwood and David Cloninger (also named team MVP).

"This is the best team I have ever had the pleasure of coaching," said Kennedy Coach Joe Medina. With the talent and spir the Cougar team radiated with year, what Coach Medina has said can be taken seriously.

The men's junior varsity soccer team was coached this season by Chuy Gallegos. Coach Gallegos led the players through a fantastic season. Dominating opponents on both offense and defense, the team scored twenty-two goals while only allowing five. They finished the season with a seven win, one loss record. Leading the group this year were star defense man and most valuable player Rod Lim and best offensive player B.J. Williams. Selected as the team's most inspirational player was Gunther Fernengel, for his team play and support. As one of the team members put it, "We really wanted the title and went into every game with a lot of intensity."

Varsity Volleyball Bumps Ahead

Imagine six players, sporting green uniforms, poised and ready to play. The ball is served, just missing the towering net. It is returned by the opponent with amazing quickness. A back row player sprawls for the bump. The setter positions herself under the ball and executes a perfect set.

On her toes immediately, the spiker is up, and with a quick snap of the wrist, hits the ball between two opposing players. The whistle blows. Point Kennedy !

The women's varsity volleyball team ended their season with a record of five wins and nine losses, but statistics don't provide a complete picture. The team was led by its only senior and captain, Kelli Reese. She was the one returning varsity player. Five players moved up from junior varsity, two players were new to Kennedy, although not to the game, and two were rookie players. There was talent in abundance, but the necessary experience of playing together as a team was lacking. Coach Jones was forever frustrated by this perplexing problem. It seems the only answer was to have the team gain the experience it needed this year, so that next year will be more successful.

J.V. Volleyball Gives It Their All!

J.F.K.'s junior varsity volleyball team had a disappointing season this year, due to the overall inexperience of their players. The team consisted of all rookies, mostly sophomores. In addition, this year was Coach Geri Felix's first year of coaching volleyball. With the inexperience of both the team and the coach, more effort had to be put out by each individual. "There was no one key player this year," says Maureen McDermott, "since everyone was on an equal level of ability."

However, even with their unfortunate record, they showed great ability and potential. What made the team stick together was the tremendous amount of support they had for one another and their positive attitudes. Next year's team looks strong, since the team had a chance to improve their basic skills and practice together during this season.

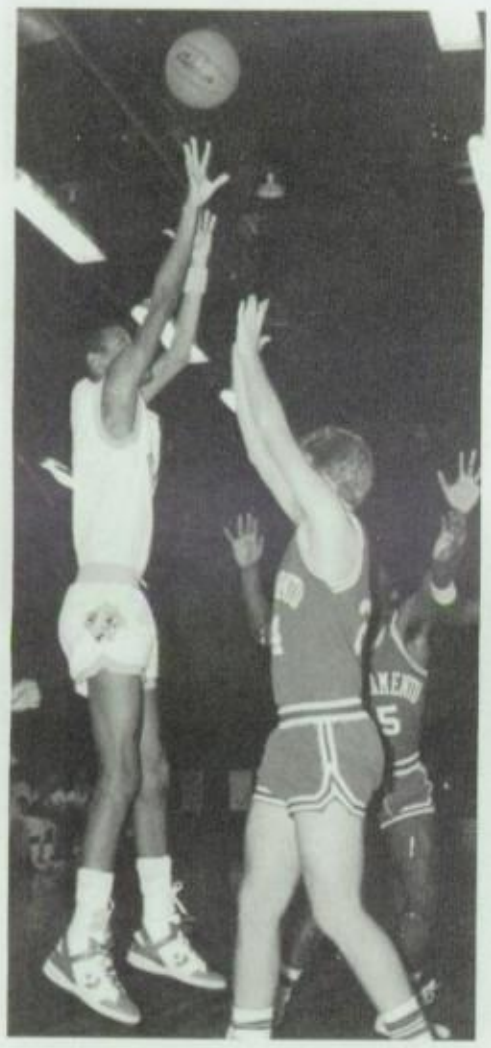
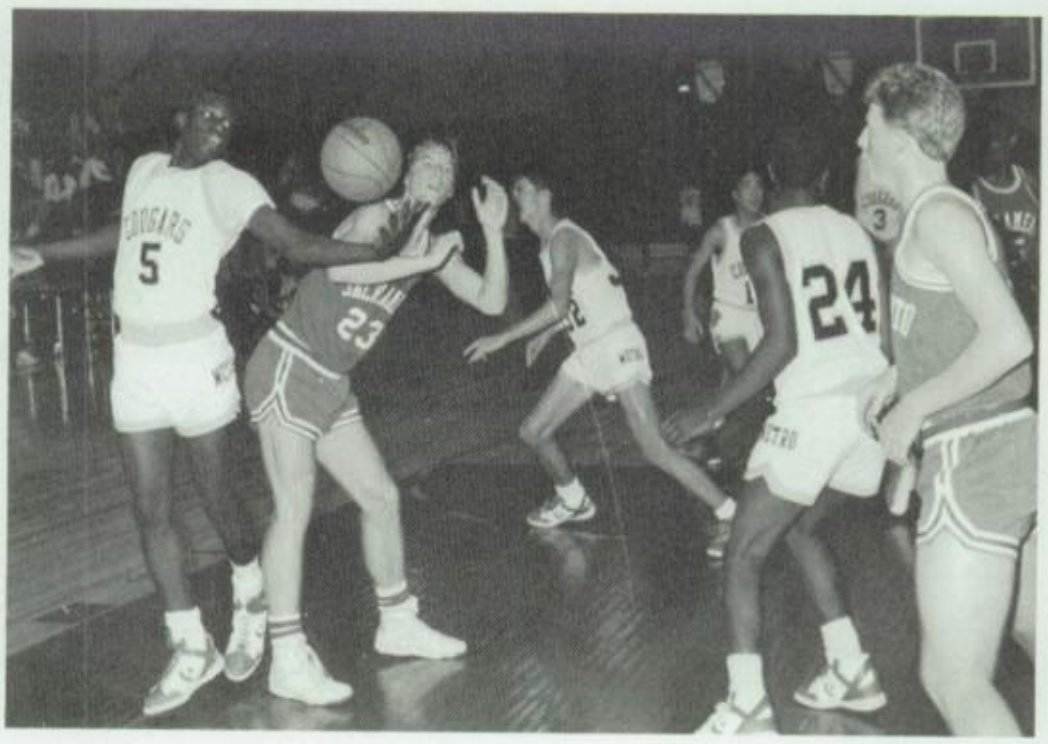
Although the men's varsity basketball team was slow getting started this year, it finished the season with exuberant pride. This year the team worked to clinch the Metro League title and made it all the way to the semifinals of the Tournament of Champions.

Coach "Spider" Thomas and his team have much to be proud of. Struggling through the beginning of the season, they were slowly pulled out of their slump by leading scorers Eric Goodman, Cleo Reed, Marvin Turk, and Kevin Johnson. However, it was playing together as a team that really brought the Cougars to victory. With an overall record of nineteen wins and twelve losses, this year's basketball season was one brimming with excitement and enthusiasm.





JV Takes It to the Hoop

This year's junior varsity basketball team had a very successful season. To start the season off, the team came in first place at the Roseville Tournament in December. They continued at a good rate, with a league record of 8-2. Under the guidance of Coach Joe Mugartegui and Team Captain Aaron Lee, the team came out of many tough games with the winning score. For the season, the team shared second place with Johnson.

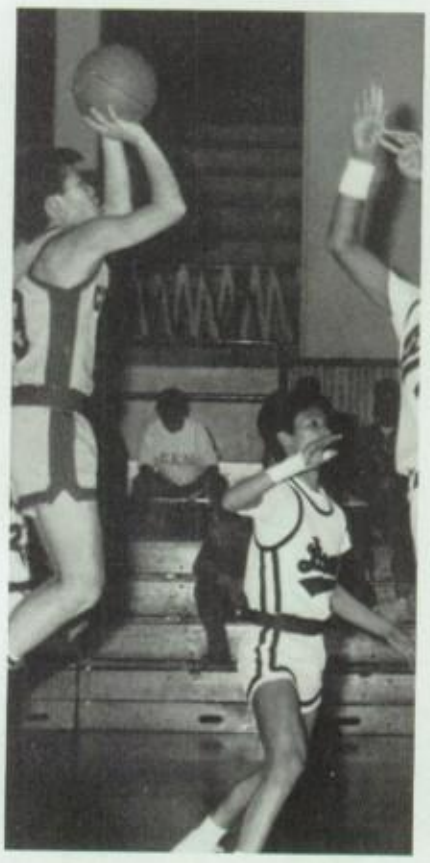
Basket Cases



Row I: Armstead Jackson, Puma, Mandale Johnson, Nason Namikawa, Mitchel Nagao, Mark Wong. Row II: Chris Pierson, Shawn McClain, Scott Perry, Greg French, Dante Perkins, Coach Fox.

This year's freshman basketball team had a fun and exciting season. Though their record was only 7-8, they mostly dominated opponents and rarely lost by more than four points. The team was led in scoring by Shawn McClain and Chris Pierson. Greg French was their leading rebounder. The group was coached by Ken Fox.

Cougarettes Take to the Court

Row I: Dana Austell, Kim Ohara, Denise Okamoto, Jolie Yamada, Jolene Yasui. Row II: Coach Gerald DeLoach, Cecelia Smith, Bridgette Zamudio, Robin Lynch, Cyndi Fukushima, Susan Haleem, Assistant Coach Leland Glass.

This season's women's varsity basketball team, coached by Gerald DeLoach, had a difficult season due to the loss of many fine seniors last year. With only three seniors on the team, the Cougars tried their best to keep their game and team spirit working together. Experience gained this year will help the returning players to a successful season next year.

Row III: Coach Medina, Stacy Owen, Kathy Longaker, Lindsey Chadwick, Karen Romero, Linda Hopkins, Sara Hertel, Shelly Longaker, Coach Anderson.

Although a few key players were lost to graduation, Kennedy's women's soccer team was as good as ever due to a surplus of young talent. The Cougars' well-balanced team dominated its opponents with skill and strength. Determination, aggression, and talent led the team to a wonderfully successful year. Although the achievements of the 1987 team were incredible, even more success can be expected from this team in the future. The young talent on the squad will continue into the future and keep the traditions of excellence alive.

Baseball has a Swinging Season

Row I: Tyson Fong, Danny McAuliffe, Maurice Thurman, Nathan Haramoto, Rick Komure, Darren Spencer. Row II: Jay Zetz, DeShun Williams, Mark Reese, Shane Towne, Fred Hardiman, Chris Orr. Row III: Coach Moak, Eric Swanson, Kevin Tinney, Ron Hertel, Robert Crabbe, David Cloninger, Brad Strong, Coach Smerns.

The varsity baseball team of 1987 brought improved and more inspired play to the fields this year. Hard work paid off for this team with the talented efforts of Kennedy pitchers David Cloninger, Mark Reese, Kevin Tinney, and Eric Swanson. Other teams were victimized by all of the hot-hitting Cougars' power and skill. The determination and perserverance of this talented team should be acknowledged and appreciated by all.

Have Heart, Will Win

Softball Covers All Bases

Under the direction of new Coach Bud Soto, John F. Kennedy's varsity softball team got off to a good start.

Victorious at the beginning of the season, the softball team hoped to place within the top three positions in the Metro League. After losing six starting seniors, the team had spent the year rebuilding. This rebuilding had been successful, due in large part to the leadership of the three seniors: Lori Yamanaka, Laurie Angell, and Sara Quessenberry.

Row I: Julie Amaro, Lori Yamanaka, Laurie Angell, Linda Ikami, Christen Peletta. Row II: Michelle Haag, Danielle King, Sara Quessenberry, Susan Hel
Suzanne Friery.

Hit Me With Your Best Shot!

The JV softball team, headed by Coach Michelle Kelley, was expected to have a fair season. The team had a majority of freshmen, with two sophomores and one junior. Everyone was definitely keeping their eyes on freshman Robyn Rodgers, who was expected to do an excellent job as starting pitcher.

Row I: Audrey Kawahara, Michelle Nishina, Oma Soto, Stacey Gisler, Rowena Chua. Row II: Coach Michelle Kelley, Patrice Gonzales, Robyn Rodgers, Christine Hashigami, Pati Pace, Nicole Robinson, Bridgette Zamudio.

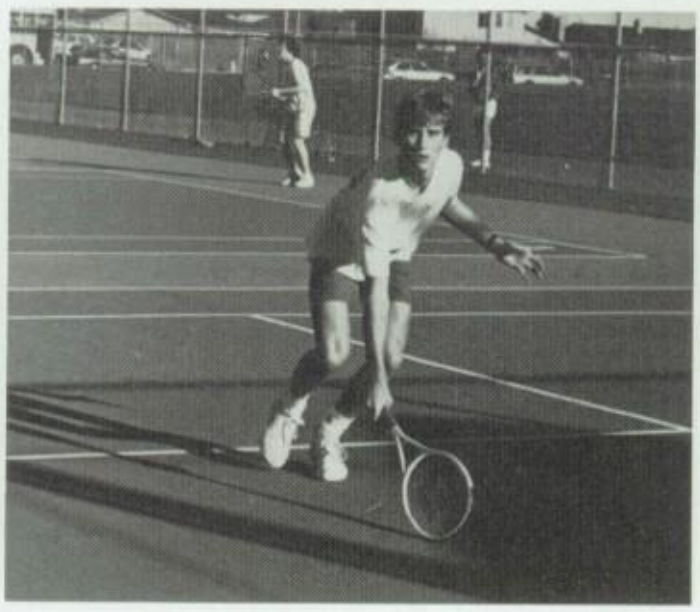
Once more Kennedy's men's tennis team has ended the year on a victorious note. Some of their triumphs included their 9-0 win over Sac High and their 5-4 victory over Jesuit.



Tennis Makes a Racquet

▲Row I: Gina Danti, Lisa Harada, Diane Matsuo, Amy Fong, Sabrina Ng, Deanna Wong, Jolie Yamada, Tami Wong, Michelle Suder, Cynthia Ong. Row II: Jennifer Scholl, Carrie McKinley, Rowena Chua, Jill Yamada, Jane Furukawa, Gwen Dong, Trish Wong, Sandy Fong, Michelle Iwamiya, Grace Jone, Coach Jane Reynolds.

Excellence in athletics is a twenty-year Kennedy tradition which the women's tennis team has continued throughout the '86-'87 season. Led by Coach Jane Reynolds, the team rallied to capture second place in the Metro League. In the number one and two singles divisions Sabrina Ng and Trish Wong, respectively, displayed great skill and dedication to their games. The number one doubles team, Deanna Wong and Jane Furukawa, also had a good season and epitomized cooperation.

The team dropped two matches to St. Francis, the Metro League Champions, but managed to beat Kennedy's cross-town rival, McClatchy, and the rest of the teams in the league to finish with an admirable record of 12-2. At the Metro League Championships Michelle Iwamiya and the doubles team of Trish Wong and Sabrina Ng captured first place titles and were recognized as the best in their divisions.

Although the women's tennis team took second place in the league, they were first for hard work, dedication, and sportsmanship, setting a high standard for next year's team to match.

Cougars Run Away With Titles

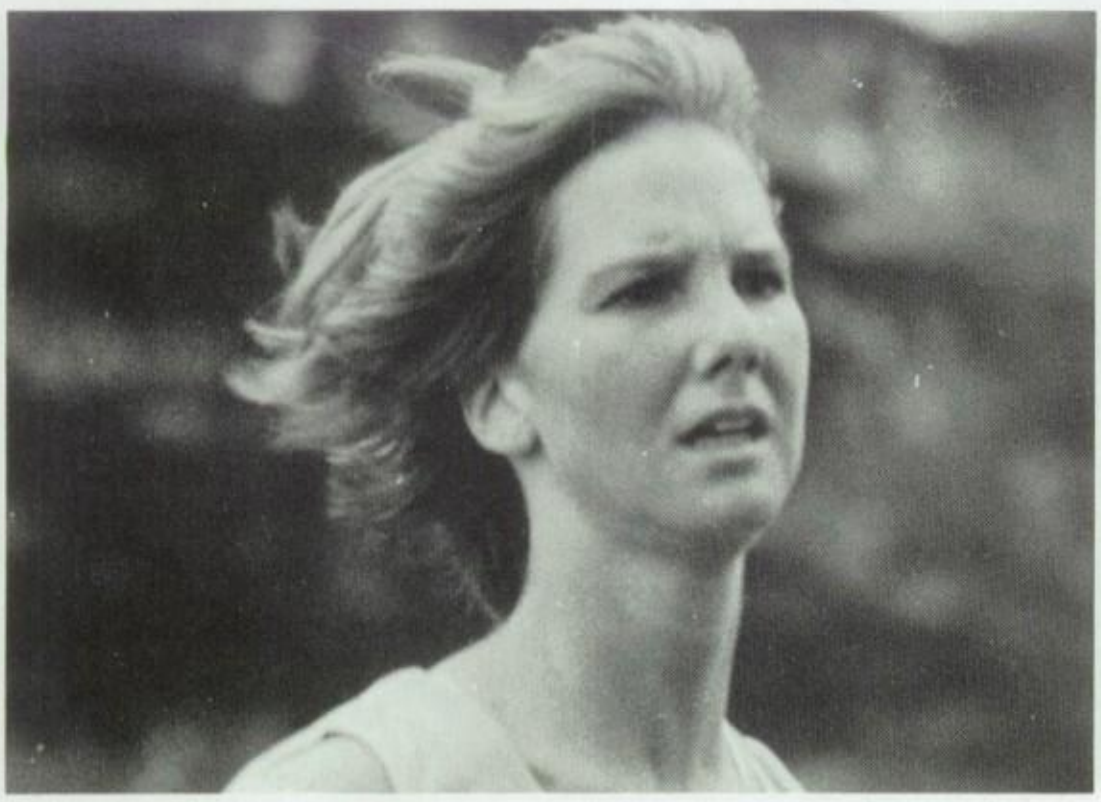
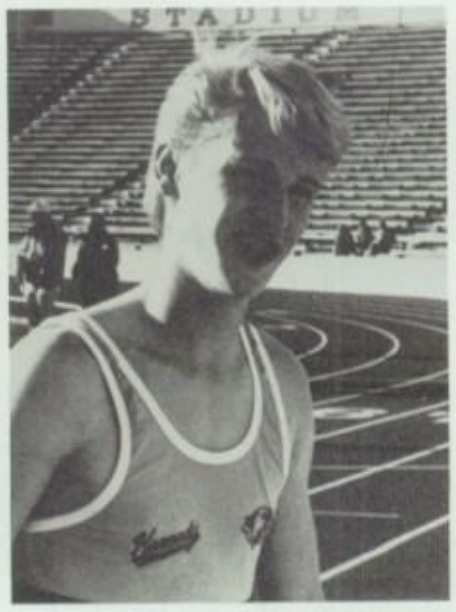
Bridgett Zamudio, Sara Hertel, Stephanie Clazie. Row III: Greg Van Dam, David Hoig, Steve Kinikin, Che Perez, Rod Olsen, David Degusta, Norman W
Todd Ceasri, David Meyer, Coach Porter.

The J.F.K. cross country team deserves many congratulations for continuing their winning tradition. Coach Dennis Porter did a masterful job in establishing a small varsity squad as a force to be reckoned with. Metro champion Rodney Olsen, along with Greg Van Dam, Che Perez, and David DeGusta, headed a strong men's team. Metro champ Liv Williams, with strong support from Linda Hopkins and Sara Hertel, led the women to a team title. With an abundance of young runners coming up, the cross country team is certain to remain strong in the future.



Cougars Go for the Gold!



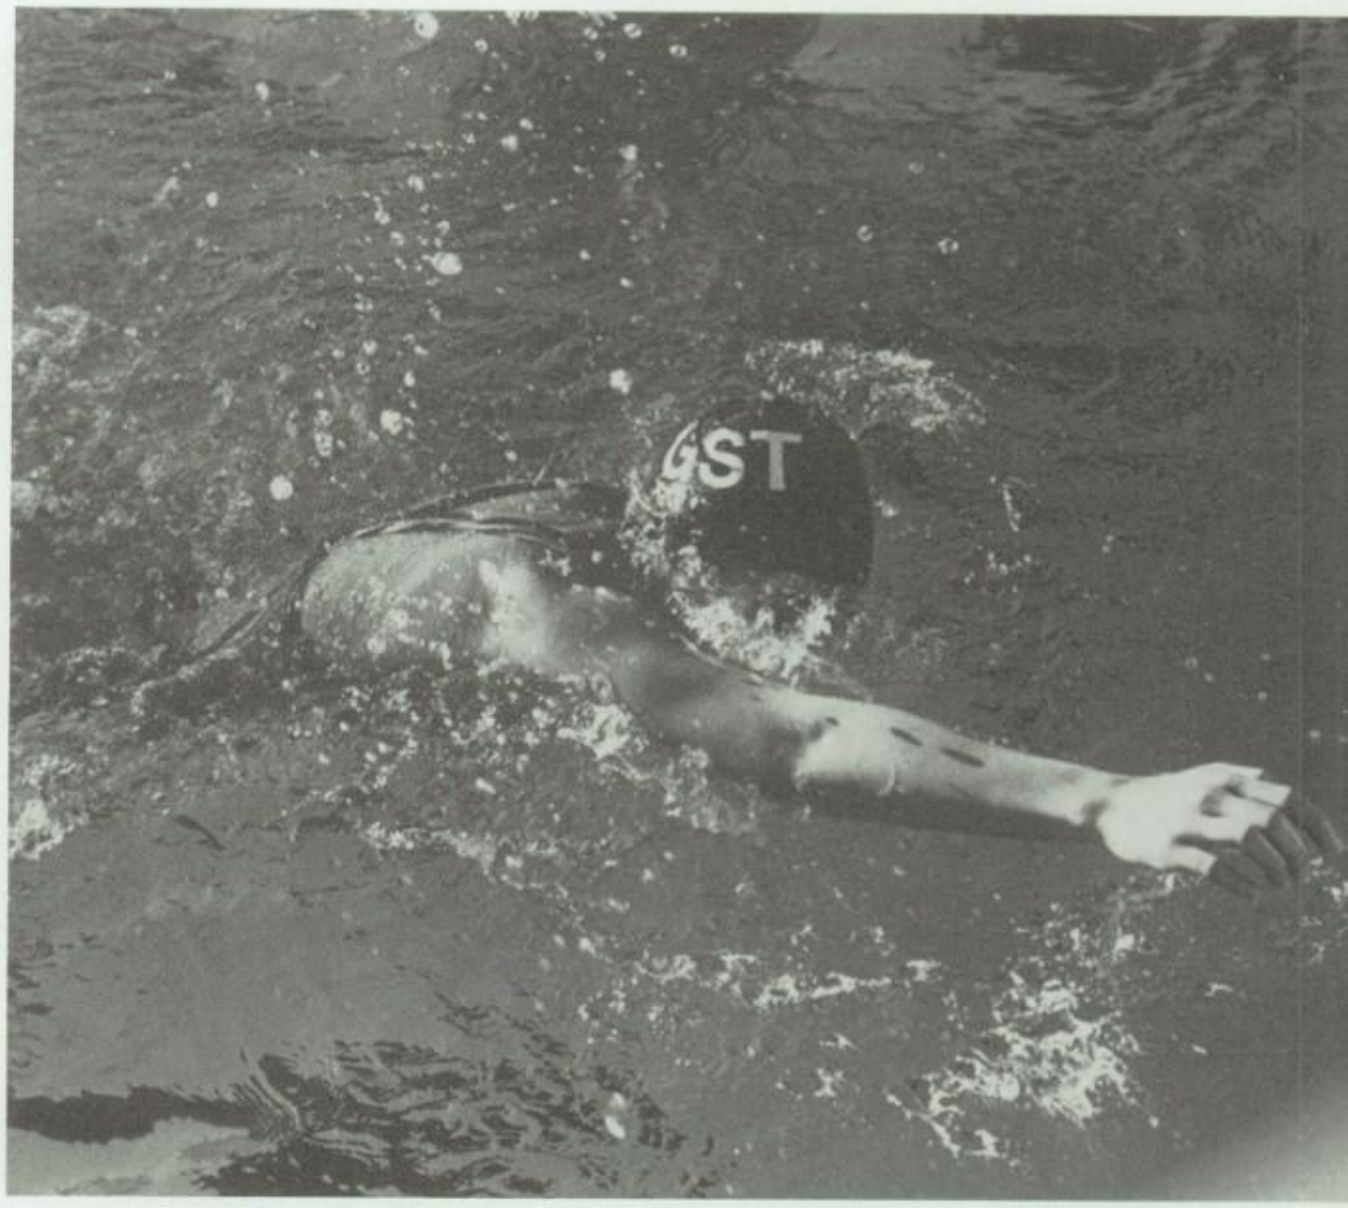
"No pain, no gain." The 1987 Kennedy Track team lives those words when they are running. Those dedicated runners are the ones seen running the track with a look of determination on their faces. All the non-runners really respect those who do run, for the non-runners lose their breath trying to get to class on time.

Lester Robinson coached the team to the Metro Relays at Hughes Stadium and the Dom George Relays at San Joaquin Delta College. The women's track team was outstanding and the fastest 400 relay team in Northern California.

Outstanding runners for men's varsity were Darrell Johnson, Rod Olsen, Donnel Armstrong, and Kurt Akabori. Outstanding runners for women's varsity were Dana Lampi, Stacee Ross, Tasha Griffin, Inga Carral, and Kathleen Randolph.

Although this season was very successful, with the returning juniors, next year's team may surpass it.

Row I: Tasha Griffin, Liv Williams, Lori Osborne, Dana Lampi, Kassia Mitchell, Inga Carral, Kathleen Randolph, Stephanie Casey, Gina Fortner, Lisa Shelton. Row II: Jeff Dunlap, Peter Eigenheer, Kevin Gee, Khari Nelson, Shawn McClain, Lewis Chu, William Thomas, Norman Wong, Greg Thompson. Row III: Coach Robinson, Stacee Ross, David DeGusta, Scott Ellison, Derek Downs, Lance James, Marvin Turk, Kevin Johnson, Cleo Reed, Donnel Armstrong, Cornel Wade.



Last year Kennedy's swim team lost the Metro Title by 1 point, breaking their streak of 7 consecutive titles. This year the team is back with revenge on their minds. With returning seniors Linda Spharler, Tony Leneis, Randy Won, and Eric Fields the team is as strong as ever. Jeanne Fippin and Teresa Morgerster will add plenty of support and help bring the Metro title back to Kennedy again.

Row I: Eric Yung, Pat Otsuji, Kevin Yerby, Mike Thornton, Craig Kellogg, Coach Chris Einspahr. Row II: Adrian Nunenkamp, Henry Tan, Uno Skog, Weslee Harrolle, Tony Leneis, Randall Won, Coach Darin Noonan. Row III: Mark Eastman, Matt Maestas, Steve Kinikin, Eric Fields, Scott Miller, Tim McGuinnis, Coach Scott Gaw.

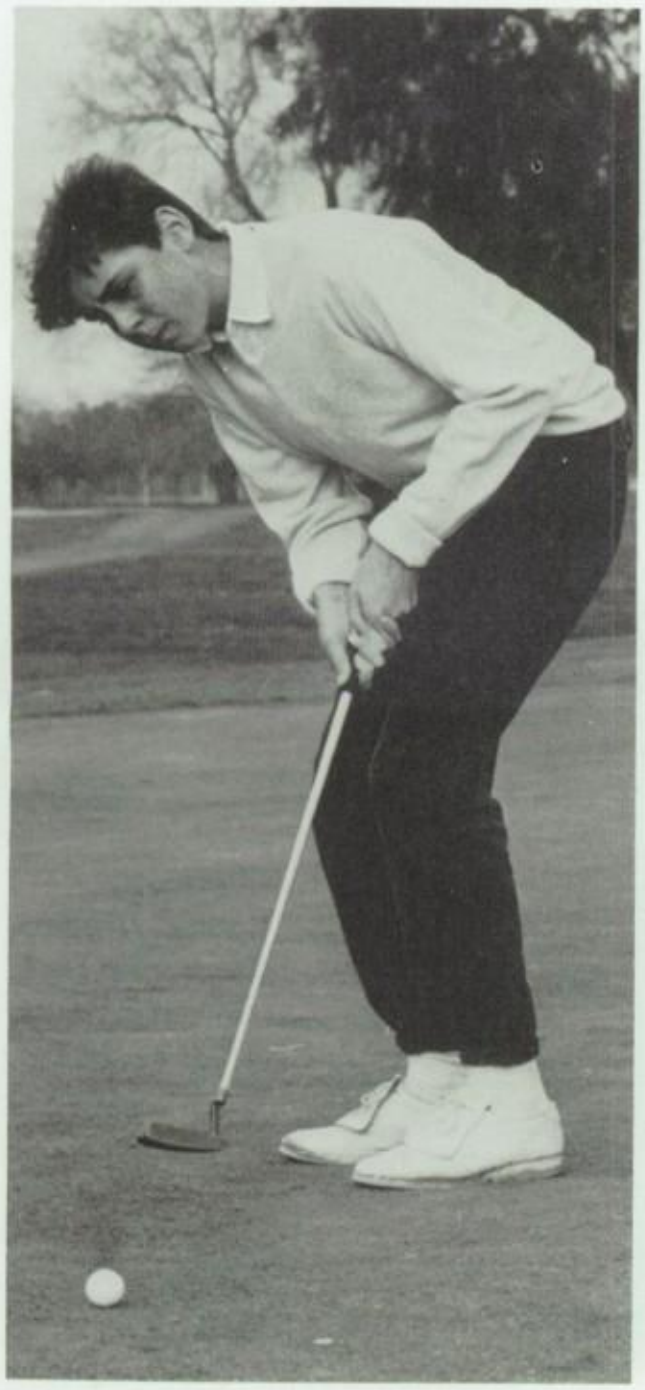
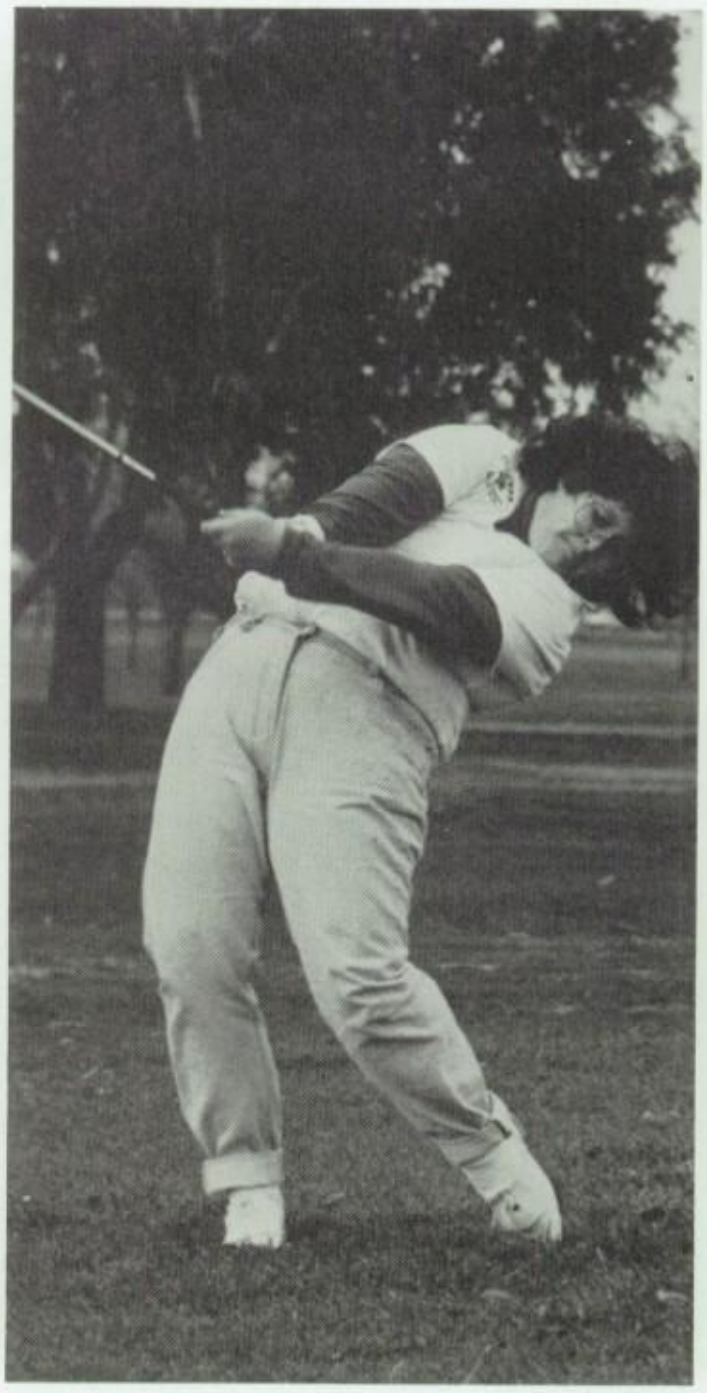
Puttin' Through the Year

Row I: Coach Brad Hansen, John Fong, Chrissy Miller, Larry Edgar, Todd Johnson, Geoffrey Podgorny, Danny Waters.





This year's golf team stroked way to another successful season. The team teed off to an excellent start under the guidance of coach Brad Hanson. The team is especially proud of their only senior, Chrissy Miller, who received a scholarship for her spectacular golfing skills. With only one member leaving, the years to come look very promising.

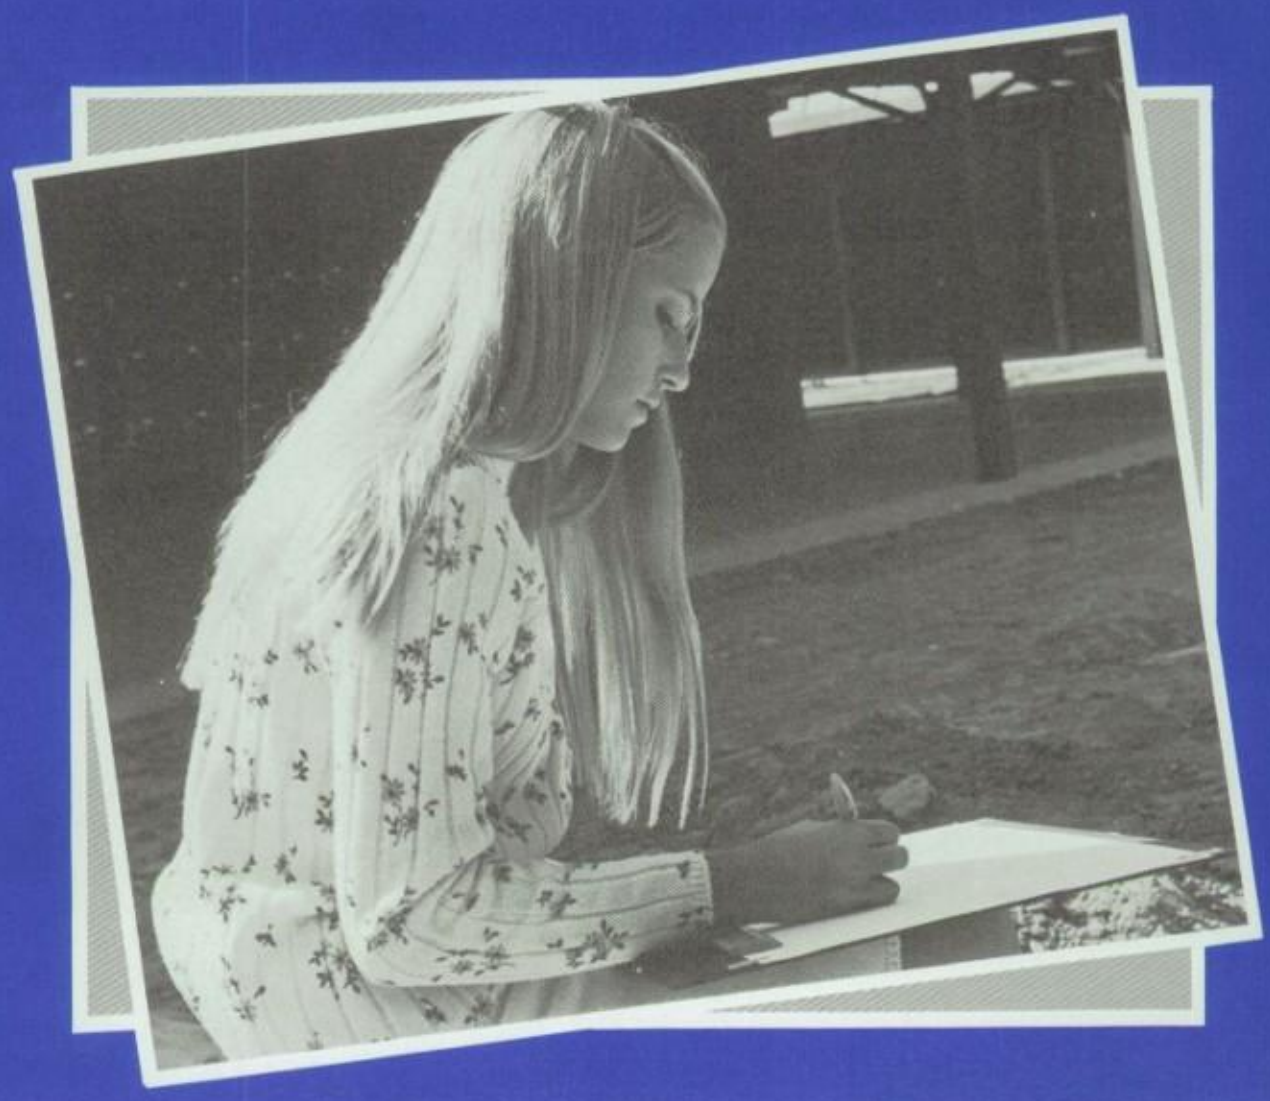
Reflections On . . .

The 1967-1968 School Year



John F. Kennedy Senior High School opened in 1967 in a time of great turmoil. America was in the midst of the Vietnam War, race riots, and college protests. Lyndon B. Johnson was president and Ronald Reagan was the governor of California. Space exploration was the dream of the future, while Martin Luther King Jr.'s dream was left to be realized by others when he was struck down by an assassin's bullet.

And in Sacramento the students at newly built John F. Kennedy Senior High School strived to set a precedent for future classes to follow.

In 1987 America is at peace, South Africa's policy of apartheid is the racial issue, and the Middle East, Nicaragua, and terrorism are the new wars being fought. Ronald Reagan is the president and the governor of California is George Deukmejian. Space exploration is a reality marred by the tragedy of the space shuttle Challenger, and Martin Luther King Jr's birthda is celebrated by acts of violence an racism.

In this year as the twentieth grad ating class of Kennedy High Schoo we should reflect on the past and r member the casualties of Vietnam the violent riots caused by racial diffe ences, and the dreams Americ once had; for from our past mistake tragedies, and triumphs, we can lear wisdom and set new precedents fo classes to come.

To Jen,

This is to my bestest friend! I'll probably never see you again, so I guess this is it! Goodbye Jen, boo-hoo! I'm depressed now! Anyway's I think you should wear cleaner shorts more often - you know, the ones that don't have grass stains + shit on them! Anyways, lets do lunch, sometime; But it'll have to wait till Burbank opens, okay! Till Then.

Uhh! I'm thinking of what else to say - ..... Oh. Keep in touch, Goodluck in the future, Have a nice summer, good luck with the guys, good luck with the girls, enjoy life with Chris Lau, Um..... Keep in touch - again! Um..... Oh! Good luck in the future! Um..... Oh. Well, That's enough.

Anyway's stay sexy and sweet,

love

your friend
